

Holiday Reception Boxes

Highly Social. From a Distance.

We understand

that some of our clients are still very cautious about how they entertain.

For comfort's sake, we've devised these special boxes to avoid cross-touching. The added benefit: They're as much of a gift as they are a meal!

Whether you'd like a hearty lunch, reception food or tasty & pretty sweets, we've literally got you covered. Allow your guests to dine in comfort. No tongs. No worries. Just good safe food.
